

Broadway-Timberville Business Council Meetings & Events - 2017

The **Broadway-Timberville Business Council (BTBC)**, an operating committee of the Harrisonburg-Rockingham Chamber of Commerce, exists to promote the economic vitality and quality of life in the Broadway-Timberville area. It does so by, among other things, providing businesses, organizations, governments and consumers opportunities to connect with each other; and providing informational and educational events for its members and the community. We look forward to seeing you at a BTBC Meeting soon!
